

OPEN WATER DIVER PLUS

DESCRIPTION

Our most thorough and compressive training program for any individual who wishes more than just to be “Certified”. This program is designed to help you become to become “A DIVER”. What is the difference you ask? Please Click [HERE](#) to learn more.

This globally-recognized diver training program goes well beyond the basics. The standards we have set for this program will require more time to complete than the basic course.

Also included in the course is your own professionally fitted “Total Diving System” This includes a face mask, snorkel, boots, and fins known as the “Snorkeling System” as well as your personally fitted Buoyancy, Air Delivery and Information Systems. (AKA regulator, BCD, and Computer).

Of course personalized training is combined with in-water practice sessions to ensure you have the skills and experience required to become truly comfortable underwater.

You will earn the SSI Open Water Diver certification as well as the following specialities: Enriched Air Nitrox, Perfect Buoyancy, Deep Diver and Navigation.

These specialities have been carefully chosen to expand your skills, knowledge, understanding, safety and of course enjoyment of the underwater world.

Also once you have completed 24 additional dives you will automatically earn SSI’s “Advanced Open Water” level of achievement.
