

OPEN WATER DIVER

DESCRIPTION

This globally-recognized certification program is the best way to begin your life-long adventure as a certified scuba diver. Personalized training is combined with in-water practice sessions to ensure you have the skills and experience required to become truly comfortable underwater. You will earn the SSI Open Water Diver certification.

FACTS

Minimum Age:	10
Certification	None
Prerequisites:	
Academic Sessions:	SSI Digital delivered to your computer
Pool/Confined Water Sessions:	3 classes, 4hrs per class flexible schedule
Open Water Dives:	5 dives over 2 days
Maximum Training Depth:	18 meters / 60 feet (age 15+)
Suggested Duration:	Aprox 24-36 hrs incl study time

Required Equipment:

Each Participant requires "scuba specific" mask, snorkel, fins & boots. We have an extensive selection of these available. Each diver must be properly fitted for these items, ask us when you call or visit about the hygienic considerations and package options.

HEALTH

Below are links to both the standard medical statement and Physician Consent forms. Please read them carefully as they do explain whether you will need one or both forms.

OTHER INFO

If you are under the age of 18 you must have a parent or guardian present to sign all documents and waivers. From 10-15 years a parent or guardian really should assist in the home study portion.

SCHEDULING

Once you are enrolled we will help select a date and time that is convenient you for your first class. From there you, your instructor & fellow students will agree on the balance of your training schedule Having our own indoor pool and private quarry for training dives allows us to offer you maximum flexibility
