Materials

It is easy for dive skills to get rusty and to lose confidence when you have not dived for a while. With the SSI Scuba Skills Update, we will get you back in the water and diving with ease in no time. This scuba refresher course allows you to review and practice scuba skills you learned in your Open Water Diver program, under the guidance of an SSI Professional. This is a great course to take just before a dive holiday, so you spend less time worrying about your skills and more time admiring the marine life.

OTHER INFO

If you are under the age of 18 you must have a parent or guardian present to sign all documents and waivers. From 8-15 years a parent or guardian must participate in the program at the same time. This is an experience program only and has no credit against any future certification programs.

SCHEDULING Once you have purchased the program we will help select a date and time that is convenient you and or your group. Having our own indoor pool on site allows us to offer our customers plenty of convenience for busy schedules.
