

Scuba Skills Update aka Refresher

DESCRIPTION

Not been diving for a while?

Need to practice before your open water training dives?

Boost your dive confidence and practice your skills with an SSI Scuba Skills Update.

This scuba refresher course is a safe and fun way to practice dive skills with an SSI professional and is often required to continue your diving training after time away from the sport. Start diving again now.

COST

(no online payment available contact the store)

\$159.99 +HST

It is easy for dive skills to get rusty and to lose confidence when you have not been diving for a while.

With the SSI Scuba Skills Update, we will get you back in the water and diving with ease in no time.

This scuba refresher course allows you to review and practice all the most important scuba skills under the guidance of an SSI Professional. This is a great program to prepare you for your dive holiday.
